

BJ & Maryanne Grimmett

IN WYOMING

AUGUST 2014

This past Sunday, BJ had the awesome opportunity to preach Cowboy Church at a Mounted Shooting competition in Powell, WY. For most of the morning, kids were running everywhere, dogs were barking like crazy, folks were flying by on their horses, and guns were being fired all around us. But the cool thing is, everything seemed to stand still while BJ spoke.

After the service, as all these tough cowboys and cowgirls shook BJ's hand and told him, with teary eyes, how much they desperately needed the message, I thought of a couple things. First, I thought of God's remarkable grace, that He would allow ordinary people like us to share the Gospel in this incredible environment. Then I thought of YOU, the beautiful friends who sacrifice to support us with your money, your friendship, and your prayers. From the bottom of my heart, thank you for sharing life and ministry with us. You have changed so many lives, starting with ours. We love you!
