

**WE ARE SO GRATEFUL** for an incredible year of ministry in Greybull, WY! We have been blessed with opportunities to preach at mounted shootings, youth camps, graveyards, churches, mule events, bonfires, and more. We've led home Bible Studies and shared the Gospel with Brand Inspectors, farriers, horse trainers, interns, apprentices, ranchers, and farmers. And, all praise be to God, we've seen precious men and women give their lives to Jesus Christ or make other huge decisions for Him.

In addition to the many evangelistic opportunities, this has been an amazing year of training for future ministry. BJ just completed his Master Trainer Certification with nationally known clinician Ken McNabb of Ken McNabb Horsemanship. As a Ken McNabb Master Trainer, BJ will have a platform for hosting demos, clinics, and rides, all for the purpose of sharing Jesus with the equine community.

### ANOTHER HUGE PRAISE,

Circle G Ministry is now recognized by the IRS as a 501(c)(3) non-profit, religious organization. We are excited about decades of future ministry as we share the good news of Jesus Christ in both the traditional church setting and in equine events.

## HOMeward BOUND

We've been privileged to spend the last seven years ministering in North Carolina and Wyoming, and we're grateful for every moment of it. But now we're excited that God is calling us back to the WV, VA, or NC area, where we hope to establish a home base for ourselves and Circle G.

Would you consider sending a special gift to Circle G Ministry to help us make the move back East and launch a brand new year of ministry? We'd be honored to partner with you in reaching precious people for Jesus Christ!

To give, make your check payable to Circle G Ministry and use the enclosed envelope to send it in. You'll receive a giving statement for tax purposes. Thank you so very much for serving with us!

## OUR SUPPORTERS ARE OUR HEROES!

There's no way to describe what this year has meant to our ministry, and we owe it all to the grace of God and YOU. Thank you for catching the vision and sending us West to pursue a dream. You have equipped us for decades of future ministry through Circle G, and we are grateful!

## MEET LILLY

This bay roan Quarter Horse mare has been a blessing from God. She was a gift from a friend in TN

who said if we'd come pick her up, she was ours. At 14.3 hands, she isn't the biggest or strongest horse on the ranch, but what she lacks in stature, she makes up for in heart. She isn't the best built or most athletic, but she's got a ton of "try," that innate desire to give it all she's got. By the grace of God paired with hard work and perseverance, BJ just completed his Ken McNabb Master Trainer Certification on her!

Just like Lilly, we will be the first to tell you that we are neither qualified for nor deserving of the ministry God has given us. But that's okay, because it's not about us. It's all about HIM, and we will simply be faithful to His call. We are so grateful to be part of the great work He is doing!

*Ken McNabb's show "Discovering the Horseman Within" airs weekly on RFD-TV.*

**"God does not call the qualified.  
He qualifies the called."**

## MINISTRY IN THE NEW YEAR

We are now scheduling preaching engagements for 2015! BJ would be honored to preach at your church, whether it's for a revival, special service, youth rally, conference, or cowboy church. We'd also be glad to do a horse training demo that includes a presentation of the Gospel. For more info or to schedule an event, call us at (304) 667-2033 or send an email to [bj@circlegministry.org](mailto:bj@circlegministry.org).
