CIRCLE G MINISTRY
keeping God at the center

December 2014

THANK YOU FOR SHARING THIS YEAR WITH US.

It's hard to believe it, but we are in the process of wrapping up our last few work days with Ken McNabb Horsemanship. By the grace of God, and with your support, BJ completed his Master Trainer certification and we had one incredible year of ministry. Thank you!

You are our dear friends and a VITAL part of this ministry, so keeping you informed is one of our top priorities! So, we wanted to fill you in on "the plan." Basically, it's time to head back East! When we did the horse training clinic in Yadkinville, NC in October, we went ahead and dropped off our two personal horses. So, for this move back home, we are loading up our furniture and belongings in the back of the horse trailer to avoid having to rent a U-Haul. BJ will drive the truck and trailer, and I'll follow with the dogs in my Rav4. As long as the weather cooperates, we will leave Greybull, WY on Monday, December 15 and drive for four days.

We'll spend Christmas and New Year's with our family, and then we are heading to Grassy Creek, NC. Our dear friends have made their beautiful basement apartment available to us while we look for a place of our own. At this point, we're still not sure where we'll officially land, but most likely somewhere in the NC, VA, or WV area. Please pray for wisdom. We just want to be in the center of God's will!

Please pray for a four-day window of good weather, for safety on the roads, for provision of travel expenses and the launch of a new year of ministry, and for wisdom as we establish a home base. Thank you so much for being part of the Circle G team. We love serving Jesus with you! Hope you and your family have a merry Christmas and very happy New Year. ***Never forget how very, very much we love and appreciate you!***

BJ & Maryanne

For the next few months, even while we're in NC, please keep sending your support to the Greybull, WY address on the envelopes we enclose. Until we come to a decision on a permanent place, we're going to continue routing our mail through the Greybull address. If you have any questions about it, please give us a call at (304) 667-2033. We really appreciate your patience with all of the changes!
